CLASSIQUE & ÉLÉGANTE

Gâce à l'épaisseur de ses plateaux, ses lignes droites et ses matériaux nobles, KARA se distingue par son élégance et un design intemporel. Le bureau KARA se décline en différentes formes de plateaux et deux types de piétements. De plus, des rangements coordonnés viennent compléter cette gamme.

CLASSIC & REFINED

Thick worktops, linear profiles and noble materials contribute to making the KARA range a distinctly refined and timeless offering. The KARA desk is available in a variety of worktop shapes and two different leg versions. An extensive range of matching storage solutions can be added to complement the range.

KLASSIEK & ELEGANT

KARA maakt het verschil met een elegant en tijdloos design dankzij de dikke bladen, de strakke lijnen en de hoogwaardige materialen. Het KARA bureau is leverbaar met verschillende bladvormen en twee onderstelversies. Bijpassend opbergmeubilair maakt de collectie compleet.

DE LA DIRECTION... FROM FURNISHING MANAGERIAL SPACES... VAN HET DIRECTIEBUREAU...

Intemporel et sobre, le bureau en mélamine KARA version pieds panneaux donne du style et de l'allure à vos espaces de direction. Le mur retour – agrémenté ou non d'un top verre – offre une grande surface de travail et son obturateur intégré permet une gestion discrète des câbles. Ses lignes droites soulignées par de fins liserés métal habillent avec élégance le retour du bureau. Afin de conserver un aménagement harmonieux, un caisson mobile coordonné peut compléter la configuration.

With its timeless and sobre appearance, KARA's melamine desk version with panel legs offers a distinctly stylish and elegant aesthetic for your management spaces. The return unit – with or without a glass top – provides a useful additional work surface, and features integrated cable ports for discreet cable routing. The return unit's straight edges and elegant profile are highlighted thanks to the introduction of narrow strips of decorative metal trim. A matching mobile pedestal can be introduced in order to preserve the harmonious aesthetic of the furniture configuration.

Tijdloos en sober: het in melamine uitgevoerde KARA bureau met paneelpoten voegt stijl en uitstraling toe aan uw directiekantoor. De aanbouwwand – al dan niet met een glazen topblad – biedt extra werkruimte. Kabels worden discreet weggeleid door de kabeldop. De aanbouw valt op door de strakke lijnen en de metalen sierstrips. Om het geheel compleet te maken kan een bijpassend verrijdbaar ladeblok worden toegevoegd.
